

## Mercer Lake Sprints

### Registration Information

- Registration window: Saturday, March 4 – Friday, April 14, 2017
- The entry window will be open until: Friday, April 14 or when an event hits capacity (most events will cap at 14 entries).
- Entries are taken on a first come, first served basis. Consideration may be given to allow maximum team participation.
- A maximum of one boat per team can be entered in a *varsity, second varsity, and first novice* event. Two entries per team will be allowed in other events, however if the event has a 7 boat entry cap only one boat entry per team will be allowed.
- Once an event hits capacity, it will close. Participants who register after an event is closed will be put on a waitlist.
- Late entries will be accepted as space allows and will be assessed a late fee of \$25 per late entry. Crews on the wait list prior to close of registration will not be charged a late fee.
- Entries will NOT be recognized until full payment is made.
- Entries not paid by the close of registration are subject to possible cancellation.
- *Scratches received after the deadline but before the first day of the regatta will be charged a \$25 per entry cancellation fee.*
- *Scratches made on or after the first day of the regatta will not receive a refund for entry fees.*
- **Important Note:** To avoid registration being blocked by teams who “reserve entry spaces” only to scratch entries at the last minute, ***any registration not paid in full by closing will be removed from the system.*** This will be strictly enforced to allow the maximum team participation in the regatta.
