

MERCER ROWING 2018 NAMING OPPORTUNITIES

Our club is fortunate to practice at Lake Mercer and the Casperson Rowing Center, a US Rowing designated training site for the National Team, and to have excellent equipment for training and competition that provides all athletes the opportunity to realize their full potential.

Help us maintain this level of excellence by supporting the club through the naming of one of the necessary elements of the team's capital equipment

The following naming opportunities are currently available:

Resolute Men's 8+	\$30,000
Vespoli 4+	\$15,000
Pair	\$5,000
Single	\$2,500
Launch	\$12,500
Set of 8 Sweep Oars – Girls	\$4,000
Set of 8 Sweep Oars – Boys	\$4.000

Individual donations can be combined to make a group donation towards a specific item.
