Rowing Is Growing Financial Verification Application

Mercer County YMCAs are excited to partner with Princeton National Rowing Association and Mercer County Park Commission to bring a brand new program, Rowing Is Growing, to underserved youth (ages 12 - 15) in Mercer County. Rowing Is Growing will use YUSAs "Safety Around Water" curriculum to enhance participants' comfort level in the water, while encouraging their interest in the sport of rowing.

Rowing Is Growing participants will be selected through a lottery system based on completed financial verification forms.

Return the completed application form and all applicable documents to your local YMCA.

Documents Required for Financial Assistance Application

All information provided will remain confidential. Applications will be processed only after all information is submitted and the application is filled out completely. All applicants must provide the following documentation:

- A written statement sharing why your child would like to join Rowing Is Growing
- Names and contact information of two references.
- Copy of your most recent Tax Return (1040 and W2).
- Copy of your two most recent bank statements.
- Copy of your two most recent pay stubs or unemployment stubs **OR** letter from current employer stating hours, wages and including employers contact information.
- Current lease or property tax bill **OR** letter from Landlord. Letter must state location of residence and monthly rental amount and include landlord's name, address, and phone number.
- Child support and/or alimony documentation if separated or divorced.
- Copy of utility bills from previous month (phone, gas, electric).
- Documentation that your family is a recipient of any of the following: food stamps, WIC, SSI, AFDC, etc. or any other state or government assistance.
